

**SAMPLE**

# Sledding Hill Rules

This facility is unsupervised.

Use is at your own risk. Misuse of these facilities may result in serious injury.

## Safety Equipment

It is strongly recommended that sensible winter equipment be worn at all times - hats, gloves or mittens, snow pants, winter jacket, snow boots and helmets.

## Facility Rules

- Do not use facility in inclement weather as it may create unsafe surfaces for sledding.
- Hours of use are 8am to Sunset; the hill is closed during nightfall.
- Alcohol, tobacco and drugs are prohibited.
- Facility is designed for sleds only.
- No ramps or jumps may be formed on the sledding hill.
- No items are to be brought in to create ramps.
- No pets are allowed on the sledding hill.
- Do not proceed down the hill until it is clear of other sledders.

## The Sample City Reserves the Right To:

Close the facility at any time for any circumstances deemed necessary.

## Maintaining the Facility

Please report hazards or other concerns to the Parks & Recreation: 000-000-0000.

## Emergency

In case of emergency, call 911.
